To cultivate our leaders of tomorrow, there are numerous platforms to showcase students' talents and nourish flourishing lives.

HLC Scholar Scheme

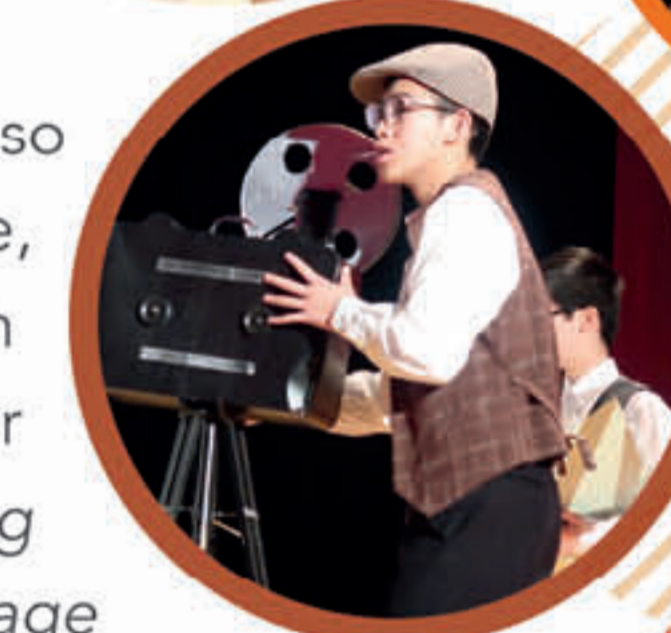

HLC is the very first Hong Kong secondary school to collaborate with The University of Hong Kong to nurture gifted students through MOOCs (Massive Open Online Courses). Consequently, outstanding students may have an edge when applying for renowned universities abroad such as Harvard University, Stanford University and Massachusetts Institute of Technology. Accordingly, HLC offers a fast track curriculum to gifted students who obtain excellent results academically and complete MOOCs in designated subjects. Such scholars may skip one year in junior forms.

English Drama Club

HLC subscribes to the belief that drama is an enjoyable and safe way for students to take risks and vicariously explore real life situations through plays and musicals. In each production, students collaborate with others across forms and with teachers from different departments while simultaneously embracing diversity and individuality. The artistic process also fosters our students' English language ability, confidence, creativity and leadership. Since its inception, the English Drama Club has won numerous competitions. This year our students have won five awards: *Outstanding Performers*, *Outstanding Director*, *Outstanding Stage Effect*, *Outstanding Cooperation*, *Commendable Overall Performance* in the Hong Kong School Drama Festival 2019.

Public Speech & Debate Club

With training, students are able to conquer fear of speaking in public. Inter-class and Inter-House English Debate Competitions are organized so all students can engage in this intellectual activity. Avid students are encouraged to participate in external competitions to further challenge

themselves. Intellectual agility and working collaboratively under pressure are skills required to excel, and it is to these abilities that we attribute our students' promising achievements. Our students have been the *1st Runner-up* in the New Territories West District Hong Kong Secondary Schools Debating Competition for the past two consecutive years.
