

From The Principal's Desk

Principal's Message

Dear parents and students of HLC,

I welcome each of you to another new school year at HLC.

This year the school theme is "Build on Strengths". I am proud of what we have achieved so far and also excited to see us growing and building on our strengths. I am ready to lead the school community as it marches into its second decade of its operation.

Academically, this year we will explore new avenues of inquiry based learning, through the STEM (Science, Technology, Engineering and Mathematics) project. We will also promote gifted education by introducing a series of pull-out programmes such as the Massive Open Online Courses (MOOCs).

For students' development, our mission this year is to encourage students to think positively of themselves and optimise their potential. While doing so, they are also expected to fulfill one of the School's core values: "Respect for Others".

May I welcome new students and teachers to the HLC family? I look forward to another successful and blessed year ahead.

Principal Lee Pak Lan

The representative from the Staff Association, Mr Mike Cheung, presents flowers at my birthday celebration

My heartfelt thanks go to all members of staff

My new partner

Mr Dennis Mok, our energetic, decisive and quick-witted new Vice-principal

Highlights of August and September

Our new teachers (from left to right)

Mr Peter, Mr Lars, Ms Jamil Lubna, Ms Kitty Leung (English),
Mr Leonie Cheung (Chinese), Mr Ronald Yeung (Music)

Summer Bridging Course

HLC newbies at our annual bridging programme

Opening Ceremony

Student representatives pledge allegiance to conduct themselves with decorum

Prefect Inauguration Ceremony

New team of prefects affix their badges

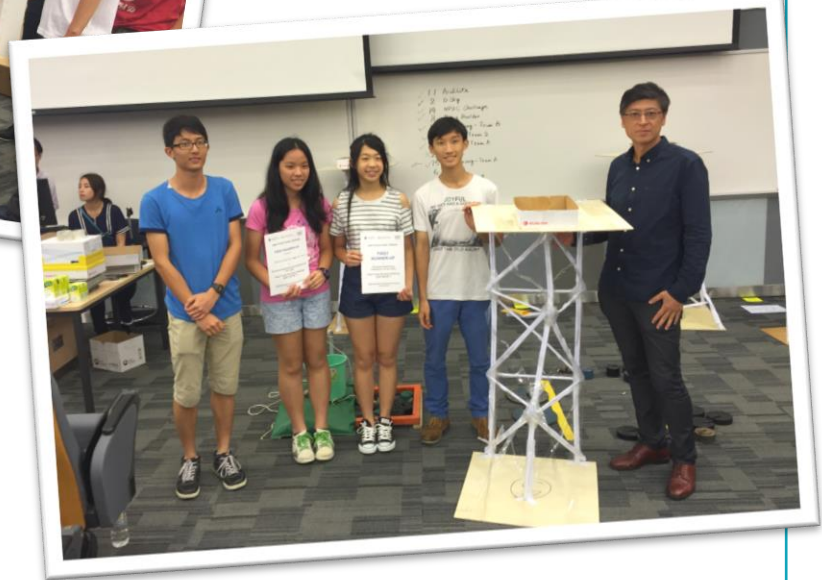

Highlights of August and September

STEM (Science, Technology, Engineering & Mathematics)

One of our STEM activities:
HLC engineers test their construction
at Structural Engineering Competition
for the Youth at the Hong Kong
Polytechnic University

The taste of triumph: Overall-First Runner-up and Commendation on Strongest
Frame Team (from left to right: 6D Man Hiu Fung, 5D Cherrie Wong, 5D Elanne Ho,
6D Harry Lau)

Two cabinet chairpersons: 5D Ryan
Pun (left, Hashtag) and
5E Louie Wong (right, Echo) shake
hands before vote counting

Students' Union Election

Congratulations to
Echo! It was a close-
run between Echo
and Hashtag.

Highlights of August and September

Drama Club

Our new production: *Josephine and Her Dreamcoat* is the first student adaptation of a Bible story. The team has been rehearsing since August. Come and watch the teaser in the Pre-S.1 Presentation!

Parents' Night

First meeting with all parents to exchange information on students' performances and listen to parents' concerns

UPCOMING EVENTS

- 1st Term Test (24-28 Oct)
- S.2 Technology Day (28 Oct)
- S.6 Education Camp (24-25 Oct)
- Sports Day (7-8 Nov)
- 1st Staff Development Day (10 Nov)
- S.3 Parents' Night (25 Nov)

Students' Achievements

| Subject(s) / committee(s) | Event/ Competition | Award | Class | Name of Student |
|--|--|-------------------------------------|------------------------------|--|
| Physics | Structural Engineering Competition for the Youth - Paper Frame Structure Challenge | (1) Overall First Runner-up | 5D | Wong Tsz Wai, Cherrie Ho Wing Lam, Elanne |
| | | (2) Commendation on strongest frame | 6D | Lau Nap Chung, Harry Man Hiu Fung |
