## Principal's Message

Dear HLCians,

February, the month of love with the Valentine's Day.

We are halfway through the school year 16/17. I congratulate students who have excelled in scholastic achievements and personal development. I also encourage those who lag behind and still need some help and guidance. And I wish you all of you would have loads of memorable events and exciting achievements in the months to come.

Term 2 of the school year brings a lot of activities and events. On 24 February we are bidding farewell to S6 students who will be taking one of the greatest challenges in their lives – sitting for DSE in a couple of months. From 6-9 March, all students (except S6) will participate in the annual Life-wide Learning Programme. I can foresee the joy and excitement these events will bring.

According to the Chinese zodiac, 2017 is the Year of the Rooster.

Let us all learn from the positive traits of roosters, like being sociable, courageous, enthusiastic, confident, and responsible.

May I also recycle “A simple equation to attain **EXCELLENCE**” that I shared with you a few years back:

**R + I + S = E**

**R** = Resilience (always trying, not giving up)

**I** = Integrity (knowing and doing what is right)

**S** = Synergy (working with and learning from strengths and talents of others)

**E** = Excellence (a destination and a proof of your achievements)

Lee Pak Lan

Principal

### PTA Christmas Gathering

Former and current PTA members gathered to give thanks for the past year with plenty food and laughter!

# Highlights of December and January

## Christmas Celebrations

### Teachers' Drama Show – *David and the Goliath*

David (Mr Johnson Chung) puts his trust in God (the Principal) to beat the giant, Goliath (Mr Jacky Lam), despite not being trained militarily. Every year the drama show brings fun to audience and actors, and this year we included student actors.

### Teachers' carol singing brings joy to all

Led by Ms Sandy Yeung, every year our teachers bring traditional carols to HLC students and this year there was also a performance by the school orchestra.

### Students' Union – Singing and dancing

Aaron Kwok's most famous hit: Loving You Forever (對你愛不完) brought the Christmas performances to a strong end!

# Highlights of December and January

**Run for LOVE and CARE 3.0 Fun Run by YMCA Tin Ching Centre**  
HLC volunteers visited people in need to give them presents and share the love and joy of Christmas.

**Interactive Drama Show for S.4 students by ICAC X Chung Ying Theatre Company**  
The show advocates the message of anti-corruption and students were taught how to make wise choices in life.

**Assembly talk "Children in Wars" by Red Cross**  
The talk explored the challenges children face in wars and inculcated humanitarian values and a more positive response to such tragedies in our students.

## Events held by Moral and Civic Education

**Serve with Love; Love to Serve**  
Our students learnt the value of service through discussion of the needs of the elderly. They then showed their love and care through doing housework for those living alone.

**Love to share; Share to Love**  
HLC students made bread which they gave to the elderly who pick up cardboard on the streets of Sham Shui Po. The 'Equal Sharing Movement' promotes a passion for equality through the act of giving and sharing in the community.

# Highlights of December and January

## HK Scout 105<sup>th</sup> Anniversary Jamboree

Our scouts did not just have fun camping but also contributed to its organisation by becoming camp sub-helpers. The event is a real eye opener for our students.

## Interschool Speaking Practice

No pain, no gain! Our S6 students even prepared for the DSE Exam during the Christmas holidays. They had speaking practice with two different schools: Logos Academy and Holy Family Canossian College.

## Congratulations to Public Speaking and Debate Team

# Principal's Prize

He, like other technicians, helps maintain the school's IT service to ensure teaching and learning go smoothly. During school holidays he does routine servicing and/or installs new hard and soft ware. Let's show our respect for him by careful use of IT equipment and smiling whenever we see him or his co-workers.

*If you know the name of this IT Technician, place your answer in the collection box outside the General Office **by 5:30pm on 3 Mar.** The Principal will draw **FIVE** lucky winners who will receive a voucher which can be used in the school Tuck Shop.*

## **Previous Winners:**

1D Lam Yi Ching, Tsang Ho Hin, 4E Ching Hang Yu, 5D Lim Anson Chiu Ngai, 6A Or Shing Chit
