

From The Principal's Desk

Sept-Dec 2017 Issue 1

This edition of “From the Principal’s Desk” highlights the fun and excitement we experienced in the past few weeks. Appreciation goes to students and staff who have been working really hard in programmes and activities in which meaningful learning has taken place.

Though 2017 is already behind us, we should count our blessings in the past year and continue to be grateful for what we have, and are going to have. After the long Christmas and New Year holiday, January 2018 is a very busy month. Students are wrapping up the first term studies and preparing for the examination and teachers marking and evaluating the learning outcomes. I cheer them while they are working hard towards their goals.

As Principal, I am looking forward to another rewarding year that we will continue on our path to reach new heights in the provision of quality education for students at HLC.

Watoto - Signs and Wonder

Watoto Children's Choir performed its exciting "Signs and Wonder" concert for HLC students who could feel the happiness and joy radiated by the dancers and singers. All of them were Ugandan orphans or vulnerable children representative of millions of similar youngsters still living in Africa. Their vibrant contemporary music and dance brought a story of hope. The children shared stories of how they had come out of the darkness into a life of purpose and joy. Members of

audience were delighted at their salvation and aware of how few benefits these children had in comparison to our students.

5B Rachel Tsang represented HLC to discuss environmental issues with Mr Wong Kam-sing, Secretary for the Environment.

Creative Cube Competition 2017

Six BAFS students won the merit award at the Creative Cube Competition 2017 (「民間·港·故事」之港生活·港快樂中學生創業比賽) organised by TWGH. They had a chance to set up their own business and needed to handle everything from product design to merchandising. During the two-week competition, they had to run a stall and present their ideas to the judges. The rationale behind their product was to help recall moments in daily life which make people smile and yet are so often forgotten. They merge the memories into our daily necessities to make it even more meaningful.

Prefect Leadership Training Camp

The Prefect Team joined a two-day camp organised by the YMCA. The aim was to enhance their communications skills and foster team spirit. They had to co-operate to overcome a number of challenging tasks and the accomplishment they found was both satisfying and enjoyable.
