

From The Principal's Desk

March-May 2018 Issue 3

Reap and Keep

When I put my pen on paper it is already Mid May. Though warmer weather is already upon us, it is pleasing to be greeted by the blossoming flame of the forest.

HLC is, like flowers, blossoming with a wide array of events and activities taking place in and out school. Educational or recreational, these activities are all important for the development of a well-rounded child.

Within the four walls of the Principal's office, I have been working on the 3-year school development plan (2018-2021). Based on the school evaluation conducted earlier, major concerns and corresponding strategies have been drafted.

I am also glad to have the opportunity to go on an education excursion to Singapore with 22 teachers in early April. We had a good glimpse of how STEM (or STEAM in some schools) is promoted and incorporated in the Singaporean curriculum. Teachers returned to Hong Kong with a deeper understanding of STEM education and experience that will enrich instruction and add depth and dimension to their lessons.

The "herb" bouquet I received from the Environmental Team in May did not only bring exquisite fragrance, but also reminded us of showing our respect and love to mothers in the most earth-friendly way.

Excellent Result in Business Competition

Congratulations to our S.4 BAFS students who achieved an excellent result in the HKCC Business Excellence Contest. Students have to analyse the business of a real corporation in Hong Kong and make use of their creativity and critical thinking skills to develop a corporate social responsibility campaign for this corporation. They entered the final round and received Judges Commendation Award.

Moreover, they took part in 第三屆全港中學學界廣告賣橋王 organised by AM730. Students used their creativity to draft ideas, slogans and storyboards to make an advertisement. They entered the final round and received 高級組品牌優異獎 and 最 FIT SLOGAN 優異獎.

Self-management Enhancement Workshop

HLC emphasizes the importance of proper attire and school uniform. Hence, the Discipline Working Group and the Parent-Teacher Association co-organized a self-management enhancement workshop which focused on shoe polishing and clothes ironing for our students. Students expressed that the workshop had strengthened their self-care abilities and they enjoyed the learning process very much.

Merit Award

HKJC x MUSS Secondary Schools Games Programme

3C Horace Chang received the Overall Star Player Award and a autographed ball from Bryan Robson, the ex-captain of Manchester United and England National Team.

Basketball Competition

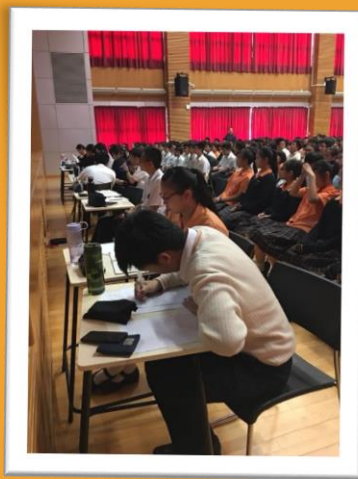

Students showed their basketball skills at a 3 on 3 basketball competition held by the Students' Union in April. After fierce competitions among 11 teams, 2 teams were able to prove themselves on the court. The champions of the junior forms go to Jeffrey Chan, Bryan Ng (2A), Louie Cheung and Bob Liu (2E), while the champions of senior forms go to Marble Lai, Elson Chow, Issac Do and Andy Chan (4C).
